

Agricultural Program Supervisor II

Essential Tasks

1	Plan, organize, and direct the work of an agricultural program.
2	Personally, perform the more difficult or sensitive work of assigned program and provide technical expertise as needed.
3	Prepare and review program related reports and data.
4	Ensure deadlines are met on all activities, projects, and reports; provide guidance when needed; and evaluate completed work.
5	Oversee development and implementation of and provide appropriate training to county and/or program staff and stakeholders.
6	Adhere to and apply personnel policies, practices and procedures.
7	Perform and apply sound administrative and fiscal practices.
8	Prepare employee performance evaluations (e.g. probation reports, individual development plans) and any other administrative reports to evaluate the work performance and provide feedback.
9	Schedule employees and/or approve vacation requests including timesheets to ensure work completion and adequate of assigned program.
10	Review and approve travel expense claims and ensure they adhere to Departmental policies and expenditure limits.
11	Review and monitor revenue, expenditures, cash flow and reserves to ensure economy, effectiveness and within program budget.
12	Plan and prepare budget documents including Budget Change Proposals.
13	Ensure contracts are completed in accordance with policy, tracked, and disencumbered accurately and timely per contractual obligations.
14	Approve and monitor procurement activities such as equipment and material requests, vehicle repair, printing orders, and/or CalCard purchases etc.
15	Interpret laws, rules, regulations, policies and procedures to ensure compliance, guide staff and determine the proper response to interested parties.
16	Review, prepare and draft responses to legislation to express position on proposed bills impacting the program (e.g. legislative bill analyses of a bill's impact on the Department, environment, and the public).
17	Prepare legislative proposals for management to address industry and program needs.
18	Conduct and assist with investigations.
19	Assist and participate in the development of court cases arising relating to assigned work.
20	Advise on and assist in the formulation of rules, regulations, guidelines, policies, procedures and program plans.
21	Direct, coordinate and oversee program activities with federal, state, county, industry entities and other stakeholders.
22	Conduct or assist in the enforcement of applicable regulations or codes related to the assigned program.
23	Confer with and advise Branch Chief and/or management regarding program issues.
24	May act as Branch Chief as assigned.
